Hear the stories and legends of Jalal-Abad with the personal look into daily life from your local English-speaking guide. Your local guide will share with you fascinating details of Jalal-Abad city that you will never discover in any guidebook.

Time	Activity
9:00 starts or upon request	After breakfast meet your guide and driver. Drive out the city to visit the Soviet style sanatorium. This first sanatorium in Kyrgyzstan is situated on a hill close to the city. The main value of the resort is the mineral springs. On preference, you can bath in the mineral water, get relaxing local massage, drink the mineral water and wander through the pistachio grove to see the panoramic view of the city. After that, we will make our way back to city center to explore the bazaar. Get overwhelmed by the noise, the colours, the smells, and the chaos. We will enjoy walking along the fresh fruits and vegetables, spices, nuts, traditional clothe shops, and souvenirs and much more. After visit to market, we will visit the house of local Uzbek family, to enjoy a home cooked lunch. End of the tour. Get dropped off at your guesthouse.
